

# Research Grant Proposal

**Title:** Urban Air Quality Monitoring with IoT Sensors

**Principal Investigator:** Dr. Michael Rodriguez

**Funding Agency:** National Science Foundation (NSF)

**Funding Amount:** \$325,000

**Project Period:** 2027-01-15 to 2029-12-31

**Compliance Status:** Complete

**Summary:** Deploy citywide IoT sensors to monitor air quality and provide real-time environmental analytics.
